

**What do you look for in a lubricant supplier? How do you know if you are getting the right product for your specific requirements? Does your supplier provide the level of service that you demand even after the sale? Since 1931, Guttman Oil has been the supplier of choice for some of the most demanding users of lubricants.**

## LUBRICANTS & RELATED SERVICES

Guttman Oil's list of satisfied lubricant customers includes excavators, coal mine and quarry operators, truck fleets, government, railroads, automobile dealers, quick lubes, and lumber processing facilities. Our people are the driving force behind our success, with many of our sales, customer service, technical support and delivery personnel having more than 15 years of experience. Their comprehensive product knowledge means that our customers can be confident that they are getting the best products for their needs.

### PRICING

Guttman's storage capabilities allow us to purchase in bulk quantities at the best available prices, enabling us to pass those savings on to our customers. Over the years, we have developed and maintained outstanding relationships with our suppliers, ensuring Guttman's access to new products, promotions and pricing programs for our customers.
